## MESSAGE FROM THE DEAN...

*Just maybe, by the time you read this, Spring will have sprung! I hope that our Easter and springtime church festivals will be met with great weather. Hope "springs" eternal!*

*It is also time to have a serious springtime REALITY CHECK as regards our Toledo AGO Chapter. According to my count, we have 103 names in our current directory. Of our total membership, only 31 are regular members. At last count, we have lost 21 members (who didn't pay any dues) since last year. We DID gain 8 new members! But, more than half of our members are Seniors, Chapter Friends, or Students.....and we certainly value them and are delighted to have them in our membership. But, we also must note that those membership designations feature discounted dues. All of this means less income for the Toledo Chapter to be applied to programming, scholarships, and other expenses. If you've been reading the TAO, you will be aware that this is a national trend and not unique to our chapter.*

*Because of this, we were **not** able to follow our custom last fall of putting our usual chapter contributions toward the Scholarship Fund. We could possibly handle future programming in the following way: we could drop back from our usual 8 programs per year to maybe 4 or 5 – two in the fall and two in the spring? It is most likely this spring that our general fund will drop below \$1000, which will certainly impact next year's programming. And, sadly, we would have to remove names from our directory and email list of those non-contributors who we have just been carrying along.*

*I encourage you to read carefully the letter our treasurer, Pam Davis, inserted into this newsletter about dues and the Guild's new "rolling membership" program. Also, closely read the news in the February TAO about the state of the Guild nationally. It is interesting reading!*

*Thanks so much to all involved in the student recital program at St. Aloysius Church in Bowling Green on March 8<sup>th</sup>. Thanks to the performers and for the substantial audience that came out to support them! We now look forward to the concert by internationally known organist Gail Archer on April 26 at Monroe St. UMC, noted elsewhere in this publication.*

*My apologies for this "doom and gloom" message, but I think you need to know the situation. Please let me or one of the board members know if you have any thoughts and programming recommendations that we could consider for next year! Happy Easter and Passover!*

*Neil Kraft, Dean*

## From our Treasurer:

The AGO National Council has established **new dues rates for all dues categories**. The new rates will appear on the **April 1** renewal notices that AGO Headquarters will send to current chapter members renewing for the 2015-2016 membership year. These rates are **\$100 for Regular members; \$75 for Special members; \$40 for Student members; and \$75 for Partners**. The new rates reflect a **\$3 increase in each membership category, with \$2 being retained by each chapter and \$1 allocated to National Headquarters**. The **Toledo Chapter Friend rate is now \$39, reflecting the \$2 national increase to chapters**.

The new dues rates will take effect on April 1 for those who join the Guild for the first time either as Chapter members or as Independent members, or who reinstate as either Chapter members or Independent members after their memberships have lapsed.

Separately, the National Council has authorized the National Headquarters to initiate a **“rolling membership year” for those who are joining a chapter for the first time or reinstating after their membership has lapsed**. This means that a member's expiration date will be one year from the date on which the member joined; i.e., on the anniversary of the join date. Under this plan, **all current chapter members will retain their July 1-June 30 membership year as long as they renew by September 1**. For new and reinstating members, however, the membership year will commence on the first of the month in which the member joins the Guild. Independent members, like TAO subscribers, have always followed a rolling membership year and will continue to do so.

**When you receive your invoice** you have 3 options: renew online, send your renewal to national, or send your renewal to me, Pam Davis, Community of Christ Lutheran Church 6517 Finzel Rd Whitehouse, OH 43571. I will then send your renewal to national. **If you ever need a copy of your invoice** you can get it online or contact me, Pam Davis, at [music@commofchrist.org](mailto:music@commofchrist.org) or 419-346-0279, and I will send it to you. And, please, contact me if you ever have any questions.

*Pam Davis, Treasurer*
